🎯 Profile

Full Stack Software Developer with 10+ years of experience delivering enterprise-grade solutions using **C#, .NET Core, Angular, SQL Server**, and **REST APIs**. Adept at translating business needs into efficient, scalable systems. Strong track record in **mentoring**, **cross-team collaboration**, and driving development best practices for performance, maintainability, and scalability.

🛠️ Technical Skills

- **Languages:** JavaScript, TypeScript, C#, SQL, HTML, CSS
- **Frameworks & Libraries:** Angular, ASP.NET, .NET Core, Entity Framework, RxJS
- **Databases:** SQL Server
- **Tools & Platforms:** Git, Azure DevOps, GitHub Copilot, Postman, Visual Studio
- **Operating Systems:** Windows, Linux
- **Development Practices:** Agile/Scrum, CI/CD, SOLID Principles, Clean Architecture, REST API Design

💼 Professional Experience

MTech-Systems — *Senior Software Developer*

Jan 2020 – Present │ Querétaro, MX

- Mentored and onboarded junior developers in Angular, .NET Core, Entity Framework, and SQL Server, accelerating integration into production work.
- Led the development of the **Sanitary Bulletin system** for compliance with Brazilian agricultural regulations, integrating REST APIs, data validation, and automated reporting.
- Co-developed the **company Intranet** (HR & IT management system) enabling streamlined vacation/leave requests, equipment requisitions, and asset tracking in a centralized platform.

Probusiness — *Web Developer*

Jan 2018 – Nov 2018 │ Querétaro, MX

- Designed and maintained responsive product pages using HTML5, CSS3, and JavaScript.
- Operated as the sole developer, managing all aspects from concept to delivery.

Independent Projects — *Freelance Full Stack Developer*

2015 – 2020 │ Remote

- Designed, developed, and launched **Shinsekai**, a leading e-commerce platform for Japanese collectibles, with secure payments, inventory management, and dynamic product catalog.
- Delivered multiple business websites, enhancing client branding and user engagement.

Universidad del Valle de México (UVM) — *Admissions Consultant*

2014 – 2015 │ Querétaro, MX

- Guided prospective students through the admissions process, meeting monthly targets and building strong client relationships.
